

EWU Receives Permanent Government Certificate on its 15th Convocation

East West University has received permanent certificate upon fulfilling all the requirements recommended by the government. The Education Minister Nurul Islam Nahid, M. P. said that the government will take lawful action against those private universities, who were unable to fulfill their criterion within the given ultimatum of one year. The 15th Convocation of East West University was held on Wednesday morning at the permanent campus at Aftabnagar, Dhaka. A total of 1311 undergraduate and graduate students were conferred degrees, and three of them won gold medals.

Professor Abdul Mannan, Chairman, University Grants Commission (UGC) and Special Guest at the Convocation, stated that the private universities ought to provide scholarships to facilitate the financially insolvent meritorious students.

Renown educationalist and the Convocation Speaker, Dr. Muhammed Zafar Iqbal spoke to the graduating students that there is no success without failure as success comes after a lot of failed attempts. He, thus, urged them not to lose hope but to be optimistic in practical life. Dr. Zafar Iqbal also advised the graduating students to learn to enjoy the pleasure of doing something for others in our brief span of life.

The Chairperson of the Board of Trustees of East West University and former Governor of Bangladesh Bank, Dr.

Mohammed Farashuddin stated that the intolerance prevailing in our society in recent times is quite depressing. He expressed his hope that students of East West University will be inspired by honesty, skill and patriotism, and will play a key role in building a liberal and democratic society.

The Vice Chancellor of East West University, Dr. M M Shahidul Hassan urged students to apply their knowledge for the socioeconomic development of our motherland, born from the sacrifice of hundreds of martyrs and blood bath of millions of freedom fighters .

The members of the Board of Trustees, the Treasurer, Deans of all the Faculties, Chairpersons of all the departments, teachers, staff, graduating students and their parents attended the Convocation Ceremony. The students expressed their joy upon receiving their certificates in due time of their academic life.

Editorial

In keeping with the vision of the institution, East West University has come up with a number of major accomplishments this Spring Semester 2016. The university has received its highest certificate of credit from the government on the occasion of its 15th Convocation Ceremony. It has finally fulfilled all the conditions in due time determined by the government for private universities in the country. A Mukti Juddho corner was inaugurated at its library premise and the university has proudly taken part in the conservation of the country's history by contributing financially in building the mukti juddho museum. Besides, 21st February-Language Day; 26th March-Independence Day; Pohela Boishakh-Bangla New Year; and Women's Day has been observed with reverence and splendor in accordance with the cultural heritage of the nation both by the teachers and student community. With much grief and mourning the East West community also bid farewell to the departed soul of Mr. Jalaluddin Ahmed, Member of Board of Trustees of East West University, who has been relentlessly at our side from the very inception of this institution.

The core academic segment of the university has been occupied with numerous novel undertakings. For the first time, East West University has introduced - Department of Information Studies and Library Management and recruited several qualified faculty members and a good number of undergraduate students. One key highlights of Spring 2016 was Department of English held its 4th International Conference on -English Studies in the Marketplace. Faculty members of almost all the departments, particularly of English, Electronics and Communications Engineering, Business Administration and Pharmacy have produced significant amount of journal articles, conference presentations and attended or organized important in-house seminars, in the country or abroad. Centre of Research and Training also organized talks on important topics, such as - gender and environment, research methodology workshops and dispersed research grants to enable research initiatives by faculty members.

The Centre for Career Council supported students to materialize all their dreams and aspirations in academic life. The clubs of East West University took part in all kinds of skill developing, leadership training, problem solving, social service, talent hunting and nurturing activities to motivate students with their university education and future career. The university authority also called for a centrally organized grand fresher's reception, where the North Dhaka Mayor Anisul Haq spoke to inspire the new students. Professor Zafar Iqbal's appearance as the Convocation Speaker at its 15th Convocation Ceremony also boosted up spirits of the graduating students. Departments with assistance from the clubs had gone for study tours and excursion that added fun and enjoyment to students in their journey of university studies. The semester came to an end with the much cherished festivity of the Bangla New Year 1423. Let me end here with a little prayer for a fresh beginning despite our daily odds -may all our nightmares and disappointments disappear; may our lives be free from all kinds of evil snares and grisly acts; may our days be fulfilled with happiness; and may our country progress with peace and prosperity. Shubho noboborsho to all!

EWU Observes Independence Day with Various Events

The workshop focused on in-depth analysis of gender-climate interrelation that can better inform climate policy in Bangladesh as well as international focus to bring together researchers, policy makers and practitioners to share their experiences of linking gender and climate change in policies. Building on unique experiences, the workshop aimed to deconstruct popular assumptions about women's vulnerability in relation to men's by discussing how socio-economic factors determine men and women's vulnerability to climate change.

Ms. Christine Hunter, UN Women Bangladesh, Country

Representative was the Chief Guest of the workshop. Dr. Mohammed Farashuddin, Chairperson, Board of Trustees and Founder Vice Chancellor, East West University was the Special Guest and Professor M. M. Shahidul Hassan, Vice Chancellor, East West University was the Guest of Honor. Dr. Rafiqul Huda Chaudhury, Chairperson, East West University Center for Research and Training presided over the program. The Keynote Speakers were Ms. Farah Kabir, Director, Action Aid, Bangladesh and Ms. Dilruba Haider, Coordinator, Gender and Climate Change, UN Women. The workshop was participated by a galaxy of experts in the field, high government officials, and representatives of national and international development agencies. The meeting concluded with a set of recommendations, which are as follows:

- gender is still not well defined at the policy level in Bangladesh, especially in the context of climate change
- investment in education and health of children and adolescents is the foremost important entry to prepare our next generation free from gender biased mindset, to meet the current and emerging sustainable development challenges of the country including climate change issues and to promote sustained economic advancement
- access to productive resources for women should be enhanced, particularly in female headed households
- curriculum should be revised from gender perspective and teachers need to be trained to become agents of social change
- vulnerability assessment of climate change related disasters should be assessed through gender lens
- gender concerns should be well integrated into 7th Five-year Development Plan (2015/16-2019-20), and for which a gender group should be created; furthermore a gender group should also be created to implement COP24 resolutions in the context of Bangladesh

The workshop identified institutional culture, patriarchal mindset and lack of adequate budget in relation to gender and climate change as key challenges in Bangladesh.

Seminar

A seminar was organized by the Department of EEE on 14 January 2016. Mr. Shaimum Shahriar, a PhD Student, University of Texas at El Paso (UTEP), USA presented on-"Characterizations of CH3NH3PbI3 Perovskite Solar Cell as an Emerging Photovoltaic".

Annual Study Tour

An annual study tour was organized by the Department of Electrical and Electronic Engineering for students from 5-6 February 2016. On the first day of the tour, they visited BSRM Steel Manufacturing Plant in Chittagong and on the second day, they visited Betbunia Satellite Earth Station in Rangamati and other interesting cultural and historical places in Rangamati. A total of thirty seven students participated in the tour. The tour was coordinated by Dr. Muhammed Mazharul Islam, Chairperson of EEE and Mir Tanjidur Rahman, Lecturer of the same department.

At BSRM, the students got the opportunity to observe the production process and learned about their emerging production facilities. They also learnt about process analysis. The officials of BSRM plant expressed that such visits

will develop ties between East West University and BSRM and will open up employment opportunities for future EWU engineers.

Professional Activities

Prof. Anisul Haque served as the Chair of the team to assess the quality of B.Sc. in EEE program of BRAC University for accreditation by the Board of Accreditation for Engineering and Technical Education (BAETE), Institute of Engineers Bangladesh (IEB). The visit to the program took place during 20-23 March 2016.

Prof. Khairul Alam has been appointed as the Director of IQAC on 1 January 2016. He also participated in a five days teaching learning and quality assurance workshop at Graduate Training Institute (GTI), Mymensingh and took part in a twelve days teaching learning quality assurance workshop in Malaysia organized by Edu Lead Consulting.

Departmental Activities

Seminar

Dr. Anindita Paul delivered an invited talk on Dusty Plasma Physics in a one day National Seminar on a focused area "Nonlinear & Complex Phenomena on Plasma and Fluids" on 21 January 2016 at Jadavpur University, India. She also presented the same on "International Conference on Physics-

2016" on 12 March 2016, organized by Bangladesh Physical Society in Dhaka.

Dr. Anindita Paul is delivering a speech in Jadavpur University, India.

Three consecutive research seminars were conducted by a distinguish guest, Dr. Mamun Bin Ibne Reaz, Professor, Department of Electrical, Electronic and Systems Engineering, University of Kebangsaan, Malaysia on "Academic writing skills for research journal article."

Another research talk was arranged by the Department of ECE on 25 February 2016. Dr. Md. Moazzammel Haque, Ex. Research Fellow, University of Amsterdam, Holland, honorable speaker of the seminar spoke on- "Elastic theory for the deformation of a spherical dielectric biological object under electro-optical trapping." Chairpersons, teachers and students of various other department were present at the seminar.

Faculty Members and Students of various departments were present in a research talk organized by ECE department

Study Tour

An annual study tour was organized by the Department of Electronics & Communications Engineering (ECE), from 23-26 March 2016. Mr. Ahsan Ali, Mr. A.K.M. Nazimuddin, Ms. Iffat Alam and Ms. Shanta Biswas were guides to the students on the tour. On the first day students visited Betbungia Satellite Earth Station in Rangamati and got the opportunity to observe the working process and learned about the satellite to satellite communication and operational process.

They also gathered knowledge about operating process of Betunia Satellite Earth Station and also their present and future plans to upgrade the systems. This visit will help develop a virtual bridge between EWU and BTCL and open up opportunities for learning employment for future engineer graduates in telecommunication sectors from the university.

Departmental Annual Picnic

A picnic was arranged by the Department of Electronics and Communications Engineering at Dhaka Resort, Gazipur on 19 February 2016. Almost 400 teachers, students, Alumni and departmental employees attended the picnic. Various games, sports and cultural program was conducted by the students for all.

Sports

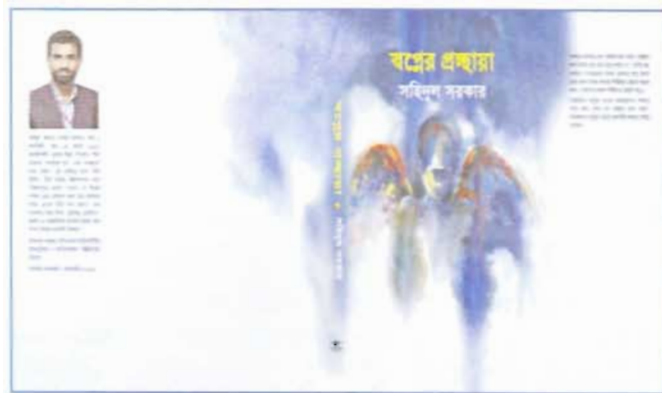

Prize Winners of the Intra Department Sports Tournament 2016 with Dean, Faculty of Sciences and Engineering, EWU.

For the first time a big sports tournament "Intra Department Sports Tournament 2016" was organized by the Department of ECE. It was held from 27-31 March 2016 on Basement-2 of EWU campus. Students, Faculties and Staffs participated in this tournament. Professor Dr. Abdus Sattar, Dean, Faculty of Sciences and Engineering, the Chief Guest of the program. Prof Dr. M. Mofazzal Hossain, Chairperson, Department of ECE and faculty members and students were present on the Prize Giving Ceremony. There were four categories of games namely-Badminton, Table Tennis, Basket Ball and Carom.

LL. B. Students Attend Seminar at the U.S. Embassy

The students of Law attended a seminar- "Introduction to U.S. Government and Elections: What to Expect in 2016" on 28 February 2016 at the American Center Auditorium. Chuck Clegg, Supervisory General Services Officer of the U.S. Embassy Dhaka presented the Keynote Speech. Students learned the basics dynamics of U.S Electoral system that they found relevant and helpful for broadening their outlooks.

1st Study Tour of LL. B Students

Department of Law organized Study Tour for students for the first time to provide them with insights in a different environment outside the conventional class room. The field trip offered amusement and congenial climate students learning at one hand and exceptional scope of interaction with teachers on the other. They visited the Pubail Hasnahena Spot on 25 January 2016 to spend a memorable day.

Students Visit the Court

Visiting the courts is one of the most important experiences for any law student. As part of its curriculum, the department organizes court visits every semester. This

semester, students visited the court of learned District and Sessions Judge, Dhaka. Barrister Tanjib Rashid Khan, Lecturer of Law, has guided the students on this visit.

Students attend "Human Rights Defenders Training Program"

Five selected Law students attended "Human Rights Defenders Training Program" organized by Bangladesh Hindu, Buddhist and Christian Unity Council. The program was held at University of Dhaka, 5-6 February 2016. The leading legal minds of the country have delivered their insights and shared their ideas with the participants to develop their knowledge and skills in defending human rights issues, particularly, the rights of the minorities of Bangladesh.

Seminar on 'Legal Practice in Bangladesh'

The Department of Law organized a seminar on 'Legal Practice in Bangladesh' on Sunday, 3 April 2016. Senior Advocate Abdul Baset Majumder, Vice Chairman, Bangladesh Bar Council graced the occasion as the Chief Guest. He provided an excellent guideline to the students on how to become successful lawyers. During the seminar, Senior Advocate Abdul Baset Majumder took part in a question-answer session enquired by students regarding their enrollment criteria for the Bangladesh Bar Council.

Abdul Baset Majumder has agreed that the Bangladesh Bar Council would consider the proposal made by Professor Tureen Afroz of the Department of Law, EWU to initiate joint venture training programs and academic publications in collaboration with the Bangladesh Bar Council and the Department of Law, East West University.

The seminar was chaired by Dr. Lutfun Nahar, Dean, Faculty of Liberal Arts and Social Science, EWU. Amongst others, Dr. Mahfuz, Chairperson, Department of Law, EWU, other faculty members and students of the department and several learned advocates of Bangladesh Supreme Court were present on the occasion.

New Appointment

Dr. Tureen Afroz joined as Professor of Law at Department of Law, EWU. She has previously taught law at the Monash University, Australia for about 4 and a half years and at the University of Western Sydney, Australia for a year. She is also currently working as the Prosecutor (Additional Attorney General) of the International Crimes Tribunal, Bangladesh. She was educated in Australia, UK, India and Bangladesh. She has been admitted as an Advocate of the Supreme Court of Bangladesh (1998) and a Barrister and Solicitor of the Supreme Court of New South Wales in Australia (2001). Her academic research has appeared in national and international refereed journals, and she authored the book "Genocide, War Crimes and Crimes against Humanity in Bangladesh: Trial under International Crimes (Tribunals) Act, 1973" (published in 2010 by the Forum for Secular Bangladesh and Trial of War Criminals of 1971). She is currently writing the book, "Genocide on Trial: The Bangladesh Experience" under a fellowship of the Centre for Genocide Studies, University of Dhaka.

Department of Genetic Engineering and Biotechnology (GEB)

Study Tour at NIB and AERE

GEB Department arranged a study tour at National Institute of Biotechnology (NIB) and Atomic Energy Research Establishment (AERE), Savar on 2 February 2016. The students were exposed to the real world of basic and applied science at these both Bangladeshi leading research institutes.

NIB is conducting research to develop eco-friendly and sustainable technology in agriculture, environment, industry and human health using modern biotechnology. At NIB, the students visited the laboratory of Molecular Biotechnology and Microbial Biotechnology, and learned about different molecular biology techniques along with GCMS and HPLC systems.

At AERE, students and faculty members visited the Institute of Food and Radiation Biology (IFRB) where the GEB Chairperson Dr. Md. Mohiuddin Kabir was appointed as a Scientific Officer in 1999. The IFRB was established in 1979 for the peaceful application of nuclear energy in the field of biological sciences.

The core facility of IFRB is a Cobalt-60 gamma irradiator, which is operated and maintained by Gamma Source Division. The most research activities of the institute are based on gamma irradiation. In addition to research, this source renders limited scale commercial service to private stakeholders particularly to pharmaceutical industries.

Research Seminar

The GEB Department arranged a seminar titled- "The molecular characterization of genes involved in micronutrient content in crop plant" on 11 January 2016 where Professor Dr. Khwaja G. Hossain, Mayville State University, USA, was the Keynote Speaker. Professor Dr. Md. Tofazzal Islam from Bangabandhu Sheikh Mujibur Rahman Agricultural University, Gazipur was also present in this seminar.

Dr. Hossain presented his new findings focusing on how the identification of epigenetic modifications and changes in protein expression due to different level micronutrients could lead to the characterization genes involved in uptake and translocation of health related minerals in crop plants. The students and faculty members were amazed to these research works because of its high impact in the context of Bangladeshi crop plants.

Training Programs

Top-Up IT & ITES Foundation Skills Training

Top-up IT training for IT/Engineering students; a 300-hrs module, and ITES (Information Technology Enabled Services) for non engineering students; a 160-hrs module. These programs are fully funded by the Government, supported by the World Bank and delivered at the university itself, which is free of cost to the students. Students will be provided with certificates along with a high employing opportunity linkage in the Bangladesh ICT industry. At present in two batches 80 science students completed their software skill and technical skills. 80 science students are doing software skill part and three batches with 150 students for non-science (ITES) have started from February 2016. Another training of ITES named Augmedix, a 50 students' batch, training started also from February 2016.

Motivational Session and Role Playing Workshop

Career Counseling Center had organized a motivational session and a role playing workshop on 23 January and 27 February. The motivational session was conducted by Mirza Salman Hossain Beg, Head of Web & 3rd Party Digital Distribution, Grameenphone Ltd, an ex. EWU student. And the role playing workshop, a whole day program, was conducted Masud Rayhan, Manager, Organization Development & HR Strategy, HRD, The City Bank Ltd, Performance Enhancement Catalyst, Freelancer - Experienced Professional Trainer, also ex EWU student.

Campus Recruitment Program:

DSi and Kazi IT Written Test

DSi and Kazi IT written test, in coordination with Career Counseling Center organized on-campus recruitment sessions which was held on 29 February 2016 and 2 March 2016. DSi took test for the position of JAVA Developer and QA Engineer and KaziIT for Senior Executive.

Seminars and Workshops:

Leadership Workshop by BYLC

With the vision of dispersing leadership among the young students of East West University. Bangladesh Youth Leadership Centre (BYLC) arranged a workshop on "Exploring Leadership" on 2 February 2016 at EWU.

The program was hosted by Career Counseling Center. Mr. Khalid Saifullah and his team were present and conduct the workshop.

Dream! Dare! Do!

Career Counseling Center of East West University, along with Enroute Management Consulting organized a session named "Dream! Dare! Do!" on 28 February at East West University premises. Syed Taher Ahmed, consultant, enroutecenter for development and Syed Quamrul Ahsan, consultant, learning & development were the speakers. In the session both speakers advised the students how to focus on managing self for achieving high in life as well as career, career planning & continuous professional development.

Transformational Leadership and Work Culture in the New Millennium

A Malaysian organization named Glob Kaizen Dynamics which works for "shaping behaviors, impacting performance" arrange a workshop in coordination with CCC on 21 March, led by master trainer M.S.Randawa. The workshop was on motivating the students for future career and leading career growth.

Scholarship info ACCA

Rehana Sultana Shammi, Assistant Manager, University Relations, ACCA Bangladesh arranged in association with CCC a workshop on 21 March on building career in ACCA. She discussed about the scholarship information of ACCA.

Other Programs

EWU participated in U.S. Trade Show 2016

East West University has participated in the U.S. Trade Show 2016 on invitation of American Chamber of Commerce (AmCham) in Bangladesh in order to maintain its presence in the prevailing competitive environment and to build an image focusing the motto "Excellence in Education".

U.S. Embassy, Bangladesh and AmCham jointly organized the 24th U.S. Trade Show from 3rd to 5th March, 2016 at Pan Pacific Hotel Sonargaon, Dhaka. Marcia Stephens Bloom Bernicat, Ambassador of the United States, U.S. Embassy, Dhaka and other officials, faculty members, students visited the stall.
