

EWU organizes a 3-daylong international conference

Eduvista Desk

Education minister Dr Dipu Moni urged to increase the quality of science education in the theoretical and practical field in line with the developed world. She made this observation while inaugurating an international conference at East West University (EWU) in Aftabnagar, Dhaka on Friday. Highlighting the importance of the conference, the education minister said that more such conference should be organized to popularize the use of advanced technology in digital Bangladesh.

The 3-daylong conference on Advances in Science, Engineering and Robotics Technology jointly organized by the

Department of Computer Science and Engineering (CSE) of EWU and the Japan-Bangladesh Robotics and Advanced Technology Research Center on 03-05 May 2019. More than 350 researchers from 20 countries including Bangladesh participated at the conference.

The inaugural ceremony of the conference was also attended by Syed Manzur Elahi, Chairperson, Board of Trustees, EWU, Dr Mohammed Farashuddin, Chief Adviser of EWU, Prof Dr MM Shahidul Hassan, Vice-Chancellor of EWU, Prof Dr Fakrul Alam, Pro-Vice-Chancellor of EWU, and Dr Ahmed Wasif Reza, Chairperson, Department of CSE, EWU. In this conference, nearly 270 articles were presented and discussed.
