Message

I am delighted to learn that East West University (EWU) is holding its first Convocation on 2 January, 2002.

I convey my heartiest congratulations to the first batch of graduates for their pioneering role and commendable achievement. The convocation is also the symbol of success of years of painstaking teaching and training by the university faculty and vital support and encouragement provided by parents. This indeed is an occasion for all to celebrate.

The purpose of higher education is not merely to acquire knowledge and skills. EWU Graduates, I believe, will also be able to bring new ideas and innovative approaches to their professional life in order to meet the demands of a dynamic and highly competitive world. I wish them all success.
