I am glad to learn that East West University is going to hold its 7th Convocation on 3rd March 2008.

Universities, the cradle of education, have great role to play in creating human resources as well as fostering socio-economic development of the country. I am impressed to know that East West University has been coming up steadily with its motto "Excellence in Education". I believe this institution would continue the process of creating bright students who will contribute to the nation. I congratulate all graduating students, faculties, staff and management of the university on this solemn occasion.
