বাংলাদেশ
বিশ্ববিদ্যালয় মঞ্জুরী কমিশন

It is with great pleasure that I would like to congratulate graduating students, their parents, faculty members and the administration of East West University on this occasion.

Although it began its journey in 1996, East West University has been able to carve an important place for itself among the country's universities. Along with providing quality education this institution aims at instilling human values in its learners. It is my sincere belief that the students of this reputed university will live up to its name and contribute to the overall development of both the country and the world.

I would like to congratulate graduates on their success and wish them the very best in all of their future undertakings.
