I am pleased to know that East West University is organizing its ninth convocation ceremony. Since its inception in 1996 East West University has proven to be a leading private university of the country providing quality education at the tertiary level in Bangladesh. It has attained this position by fulfilling its promise to provide excellence in education. We would like to acknowledge the role played by East West University in enhancing the reputation of private university education by its performance till now. I also wish East West University further success in the years to come.

On this august occasion I take the privilege of extending my heartiest felicitations to the happy graduates, the proud guardians and caring faculty members and everyone in the East West family who have played a part in making the dream of the graduates come true.

(Nurul Islam Nahid, M.P)
