EXPLANATORY NOTE

11th CONVOCATION 2012

The Convocation

The convocation, a long established tradition in universities all over the world, is a great celebration observed by academia where degree candidates are presented by the university faculty and administration to the degree awarding body of the university and where degrees are ceremonially awarded. The Chancellor of the university heads this body and confers the degree as recommended.

Degree Awarding Authority

The Chancellor or when authorized by him the Vice Chancellor or any other appropriate person, confers degrees to the graduating candidates on approval/recommendation by the Academic Council of the University, headed by the Vice Chancellor.

The Academic Procession

The Academic Procession is an essential part of convocations all around the world. It is a colorful but solemn event where graduating students, faculty members, members of the Academic Council, members of the Syndicate, members of the Board of Trustees, and senior administrative staff of the university participate.

The participants in their ceremonial dress join the convocation procession and enter the convocation hall. The Convocation Marshal leads the procession into the hall. The degree candidates take their seats in an area of the hall reserved for them.

Faculty members join the procession in ascending order of seniority. They enter the hall and take their seats alongside the degree candidates. They are followed by the members of the Academic Council and Syndicate.

The Chancellor in the procession preceded by the Special Guest, the President of the Board of Trustees, the Vice Chancellor, the Pro Vice Chancellor, the Convocation Speaker and the members of the Board of Trustees of East West University, enter last in the Convocation Hall.

Once the procession has reached the designated area and all are in place, the formal convocation ceremony begins. The Vice Chancellor, President, Board of Trustees and Convocation Speaker deliver their speeches. Then the graduating candidates are presented to the Chancellor for the conferment of degrees. Special Awards and Gold Medals for academic achievements are also awarded at this time. A student selected from amongst the graduating class as the Valedictorian addresses the gathering; the Special Guest then delivers his address. Finally, the Honorable Chancellor of the University addresses the Convocation. The Convocation Marshal conducts the entire ceremony.

At the conclusion of the ceremony, the Chancellor, the Special Guest, the President of the Board of Trustees, Vice Chancellor of East West University and other dignitaries leave the site of the ceremony in procession, followed by faculty members and graduating students. The ceremony concludes when the procession departs from the hall.

Academic Apparel

The academic apparel of East West University has been specially designed in line with the academic regalia used in most American and Commonwealth universities. The gowns worn by participants are generally black, but their designs vary. The different colors of the tassels and the hoods distinguish faculty members of one department from those of other departments.

The hood, which resembles the medieval cowl, is the most distinctive feature of the academic regalia. Its satin panel is visible from the front and indicates the general field of a degree by its color.

The Convocation apparel for all bachelor degree candidates is black and they don black square mortarboards on their heads. The colors of the tassels on their mortarboards indicate their fields of study.

EXPLANATORY NOTE

11th CONVOCATION 2012

Tassel colors for East West University degrees and departments are as follows:

Business Administration	:	Sea Green
Economics	:	Olive Green
English	:	Lilac
Social Sciences	:	Blue
Computer Science and Engineering	:	Golden Yellow
Electronics and Communications Engineering	:	Indigo
Electrical and Electronic Engineering	:	Pearl White
Pharmacy	:	Orange

Master Degree candidates wear hoods of their departmental color in addition to gowns and mortarboards.

East West University faculty members wear black gowns with black velvet on their lapels with piping of departmental color and three black velvet bands with departmental color piping on each sleeve. The disciplines of the faculty members are distinguished by the color of the tassels and hoods.

The Chancellor, Special Guest, Vice Chancellor, Pro Vice Chancellor, Convocation Speaker, members of the Board of Trustees of East West University, Deans, Convocation Marshal, members of the Syndicate and Academic Council wear especially designed regalia.

East West University Logo

The logo of East West University has been designed to reflect the chief objective of the university, which is the dissemination of modern and quality education at a reasonable cost. The overall structure pointing upwards signifies human development towards a higher quality of life.

The lower right hand white portion includes the globe and represents enlightenment through acquisition of knowledge from all over the world. The outflow of the motto, "excellence in education" connotes the creation of knowledge that is boundless. The color of the EWU logo is deep blue.

East West University Flag

The color of the EWU flag is deep blue and a pearl white EWU emblem is placed in the middle.

East West University Departmental Buntings

Different academic departments have their own colored satin buntings. The colors are:

Business Administration : Sea Green

Economics : Olive Green

English : Lilac

Social Sciences: Blue

Computer Science and Engineering : Golden Yellow

Electronics and Communications Engineering : Indigo

Electrical & Electronic Engineering : Pearl White

Pharmacy : Orange

University Bunting

Academic Awards

For excellent academic achievement following awards are given to the students at the Convocation ceremony as per the policy mentioned below:

1. Gold Medal: An undergraduate student graduating with a CGPA of 3.99 or above (out of 4.00) within a period of four years, will be eligible for getting a gold medal. A student admitted in this university on transfer of credits from other university(s) and/or availing of the advantage of retaking any course any time, will not be eligible for this award.

PROFILE

EAST WEST UNIVERSITY

Mission Statement

In keeping with its name, East West University is an institution that promotes eastern culture and values, and meaningfully blends eastern and western thought and innovation. As an institution of higher learning that promotes and inculcates ethical standards, values and norms, and one of the top private universities of Bangladesh, East West University (EWU) is committed to the ideals of equal opportunity, transparency, and non-discrimination.

The primary mission of EWU is to provide, at a reasonable cost, tertiary education characterized by academic excellence in a range of subjects that are particularly relevant to current and anticipated societal needs. Central to the university's mission is its intention to provide students with opportunities, resources and expertise to achieve academic, personal and career goals within a stimulating and supportive environment. EWU is striving not only to maintain high quality in both instruction and research, it is also attempting to render community service through dissemination of information, organization of training programs and other activities. Sensitive to the needs of its students and staff, EWU is committed to providing a humane, responsive and invigorating atmosphere for productive learning and innovative thinking.

History

The idea of establishing a private university to provide quality education at an affordable cost in Bangladesh was first mooted by a group of prominent academics, business leaders, professionals and education enthusiasts led by Dr. Mohammed Farashuddin. With this end in view, this group formed a non-profit, non-political, charitable organization called Progoti Foundation for Education and Development (PFED). East West University is its first major project. Members of the Board of Directors (present name Board of Trustees) of the University are: Mr. Jalaluddin Ahmed, Mr. S.M. Nousher Ali, Mr. Farooque B. Chaudhury, Dr. Rafiqul Huda Chaudhury, Syed Manzur Elahi, Dr. Mohammed Farashuddin, Mr. Mohammed Zahidul Haque, R.Ph., Dr. Saidur Rahman Lasker, Dr. Muhammad A. Mannan, Professor Dr. M. Mosleh-Uddin, Mr. Shelley A. Mubdi, Mr. M.A. Mumin, Dr. Khalil Rahman, Mr. H.N. Ashequr Rahman and Mrs. Razia Samad. After being accorded permission by the Government under the Private University Act (Act 34) of 1992, East West University was launched in 1996. Classes started in September 1996 with 6 faculty members and 20 students in the present campus located at 43, Mohakhali Commercial Area, Dhaka. At present, there are over 324 faculty members and approximately 7084 students who have been enrolled through a process of selection.

East West University (EWU) has achieved remarkable success within a short period of time. In the 'Webometrics' survey reports of July 2007 and July 2008, East West University was ranked the number one private university of Bangladesh. It was also ranked as the second best private university of Bangladesh by the same organization in January 2008. 'Webometrics' is a European Union-funded-Spain based research organization. East West University, which had its modest beginning in 1996 with only 20 students and 6 faculty members, now has approximately 7,084 students and 324 faculty members. Its growth testifies to its steady and significant progress towards promoting quality university education. It has already produced 6,921 graduates from its Undergraduate and Graduate programs. The dynamic growth of EWU can be seen in the figure provided below:

EAST WEST UNIVERSITY

Facilities & Amenitie

Computing and Lab Facilities at East West University

(a) Internet and Computing Facilities

Information and Communications Services (ICS) supports a total of 733 + computers along with computer-related equipments of all functional departments/sections of the university.

To support the hands-on-lab practices for different computation intensive courses, EWU has established 7 (seven) computer labs equipped with more than 260 computers and printers of various ranges. The operating support systems are Windows, Linux, Solaries, etc. The programming languages and package support include C/C++, Java, Fortran, Oracle, MatLab, Visual BASIC, SPSS, MS-SQL Server, MySQL, PHP, .NET etc through Information & Communications Services (ICS) section. ICS works directly under the office of the Vice-Chancellor to facilitate computer lab facilities to students and to maintain computer hardware, software, multi-media systems, networking systems, and the email service of the University.

East West University has internet facility of 21 Mbps bandwidth. ICS maintains the service for smooth continuation of internal connectivity. It also provides in-house training to employees of the university to improve their computing skills.

(b) Lab Facilities

The science and engineering education programs at East West University emphasize hands-on-experiences of students in labs. University labs play a central role in supporting faculty and student research. For these reasons, the university is committed to developing and maintaining state-of-the-art labs for students and faculty members. East West University has developed one of the best lab facilities in the country for computer science and engineering, information and communication engineering, electrical and electronic engineering, electronics and telecommunication engineering and pharmacy programs. The engineering labs are shared by the three engineering departments, namely, Computer Science and Engineering (CSE), Electronics and Communications Engineering (ECE), and Electrical and Electronic Engineering (EEE). The Pharmacy labs are used by students and faculty members of the Pharmacy as well as by engineering students for their chemistry courses.

The following is a description of the labs within the Faculty of Sciences and Engineering:

Electrical Circuits and Machines Lab: This lab has state-of-the-art Lab-Volt electro-mechanical training systems that can be used to carry out experiments on DC machines, transformers, induction motors, and synchronous machines. This laboratory also has inductor, capacitor, and resistor banks, single and three-phase variable AC power sources, DC power supplies, oscilloscopes, signal generators and various types of measuring instruments to enable students to conduct experiments on electrical circuits. In addition, the electrical circuits and machines laboratory houses modern high-frequency signal generators, high-frequency digital storage oscilloscopes, true RMS (AC+DC) volt and current meters, and a LCR meter with computer interface to facilitate research.

EAST WEST UNIVERSITY

Electronics Lab: Work related to electronics and power electronics courses is performed in this lab. It is equipped with modern digital storage oscilloscopes, analog and digital trainer boards, signal generators, DC power supply and all types of IC chips, small-signal MOSFETs, BJTs and other semiconductor devices.

Switchgear and Control Systems Lab: Experiments and project works on switchgear, controls and data acquisition are done in this lab. The lab has five sets of ADVANTECH data acquisition cards run by dual-core computers to detect various types of electrical faults and subsequent operations of relays on custom-made fault simulation boards. This lab also houses five sets of Siemens PLC (S7-1200) with necessary input/output modules and proprietary computer interface software tools. PLC sets are used to train students in modern industrial control systems.

VLSI Lab: Design and simulation type lab work is performed in the VLSI Lab. It has more than 40 state-of-the-art dual core workstations and 2 servers running on both MS Windows and Linux platforms. A wide range of engineering and design software tools, including ADS, MAGIC, HSPICE, ANSOFT, MATLAB, PSPICE, etc. are available in this lab. ADS, MAGIC and HSPICE are advanced industry standard EDA tools used worldwide in design and research.

Software Engineering Lab: The Software Engineering Lab is equipped with a HP Server, 30 Lenovo desktop computers, and a multimedia projector. All the computers of the lab are networked and use CISCO switches. The lab provides a range of software to support lab classes and research works in the broad field of Software Systems including programming, database systems, information system design, software engineering, computer networking, image processing, network security and high-performance simulation and modeling.

Digital Systems Lab: The Digital Systems Lab is equipped with instruments that range from digital storage oscilloscopes, digital trainer boards, micro-controllers, interfacing adapters, data acquisition cards and other supporting peripherals. It also provides hardware devices for FPGA design. Projects related to digital logic design, computer interfaces and embedded systems are pursued in this lab.

Telecommunication Lab: The purpose of the Telecommunication Lab is primarily to offer hands-on experience to students for training and research by providing them scope for practical demonstrations and enabling exercises for courses in communications. The TIMS equipment set constitutes an important part of this lab. This set consists of TIMS-301 basic system, PC based virtual instruments, TIMS-Interactices for simulation, and Emona TIMS advanced modules. The lab also contains microwave trainers, DSP trainers, cellular mobile trainers, analog communication trainers, digital communication trainers and optical fiber communication trainers. The university is in the process of procuring additional equipments for experiments in RF, antenna and microwave, and telecommunication switching and signaling.

Computer Communications and Networking Lab: This lab has been established recently. It is equipped with one high performance server, twenty work stations, switches, routers, networking kits, radio equipment for short distance indoor

and outdoor wireless networks, point-point XDSL/VDSL/HDSL and other supporting instruments. As a Cisco local academy, all Cisco classes are conducted in this lab.

Physics Lab: The Physics Laboratory is equipped with modern instruments for carrying out everyday physics experiments. The dark room facility helps students in carrying out optical experiments.

Laboratory Facilities in the Department of Pharmacy

The Department of Pharmacy of East West University has seven laboratories for the students and faculty members where they can conduct experiments. The laboratories are well equipped with modern and world-class equipments for individual courses. In addition to supporting the requirements of B. Pharm and M. Pharm programs, these laboratories are also providing necessary infrastructures for research.

The Advanced Research Laboratory of the Department of Pharmacy is equipped with advanced research instruments to carry out analytical and molecular experiments. For analytical research, the advanced research laboratory has High Performance Liquid Chromatography (HPLC), Fourier Transform Infrared (FTIR) Spectroscopy and Gas Chromatography (GC). The laboratory has a collection of thermocycler for the amplification of genes, an instrument for gel electrophoresis and SDS page electrophoresis.

In addition to these sophisticated instruments, there are some other major instruments that are listed below:
Microplate photometer/ELISA Reader
Freeze dryer
Incubator/ CO2 incubator
Laminar air flow equipment
High resolution centrifuge machines
UV-VIS spectrophotometers
Polarimeter
Refractometer
Karl Fischer water determination apparatus
Rotary evaporators
Single punch tablet machine
Capsule filling machine
Distillation apparatus
Dissolution tester
Disintegrator
High resolution microscopes
Autoclaves
Fundamental chromatographic instruments as well as other supporting equipments.

East West University Center for Research and Training (EWUCRT)

The East West University Center for Research and Training (EWUCRT) promotes academic and applied research for creation and dissemination of new knowledge. Though it is a research organization in character, it executes multifarious activities to achieve its objectives. The EWUCRT is dedicated to developing the research potentialities of faculty members of EWU by continually motivating them to undertake research studies and publish scholarly papers. It provides financial support to the faculty members in conducting research studies. The Center organizes and sponsors seminars, symposiums and workshops to facilitate dissemination and cross-fertilization of knowledge. For the purpose of sharing research results with academia, researchers and policy makers, EWUCRT publishes two academic journals in the fields of humanities and social sciences, business and economics. The Center also designs and organizes short-term training programs on research methodology to enhance the research capabilities of young professionals working in universities, academic institutions,

government, and non-government organizations. During the last five years (2007-11), EWUCRT has allocated about Tk. 3,093,000 to support faculty research and training, publications of research reports and journals and sponsoring of seminars and workshops.

The EWUCRT operates through a Research Committee comprising a representative from the Board of Trustees, Deans and Chairpersons of the academic departments. The Center is currently chaired by Dr. Rafiqul Huda Chaudhury, Member, Board of Trustees of the University. At present, Dr. Muhammad Sirajul Haque, Dean, Faculty of Business and Economics and Mr. Md. Lutfur Rahman, Assistant Professor, Department of Business Administration, hold the positions of the Executive Director and Deputy Executive Director respectively. One research officer and one secretary assist the Chairperson, the Executive Director and Deputy Director in carrying out the official activities of the Center. A brief description of the activities, particularly those carried out in 2011, of the Center follows next.

Academic Research Grants

The EWUCRT extends grants to the faculty members of the University to enable them to conduct academic research in diverse areas. Over the years, the University has supported several research studies of the faculty members. The following research studies have been funded by the Center on behalf of the University in 2011:

- *Isolation and Identification of the Causative Organisms on Street-vended Food Samples Collected From East West University Area*. This is being conducted by Sufia Islam, Muniruddin Ahmed, Bijoy P Barua, Muhammad Asaduzzaman and Farhana Rizwan from the Departments of Pharmacy and Social Sciences, EWU.
- *Total Quality Management and Organizational Performance: A Causal Path Analysis*. This is being conducted jointly by Ms. Farhana Ferdousi and Ms. Saadia Shabnam, Department of Business Administration, EWU.

Academic Publications: Journals

Having recognized the growing importance and demand of quality research and scholarly publications of faculty members in the areas of humanities and culture, global business, marketing and sustainable development, EWUCRT publishes annually two academic journals, *East West Journal of Business and Social Studies and East West Journal of Humanities. East West Journal of Humanities* (Vol. 2), 2011 is already published and *Journal of Business and Social Studies* (Vol.2), 2011 is awaiting publication.

The Center also publishes working papers, occasional papers and annual research abstracts of faculty members of the university in order to disseminate and share knowledge for the purpose of creating a strong intellectual bond and network among the faculty members of the University and the outside academic world.

Academic Publications: Collected Abstracts

The 5th volume of *Abstract of Published Papers* 2010 by EWU faculty members has been published in April 2011. In this volume, abstracts of as many as sixty-eight research articles, book chapters, and conference presentations have been included.

Research Reports

In 2011, EWUCRT brought out a research report entitled *'Students' Mistakes and Errors in English Writing: Implications for*

EAST WEST UNIVERSITY

Pedagogy' by Harunur Rashid Khan and Zahid Akhter, Department of English, EWU. Furthermore, five research study reports by the faculty members of the university are on the pipeline:

- *An Appraisal of the Problems and Prospects of SME Financing in Bangladesh,* by Tanbir Ahmed Chowdhury and Kasfia Ahmed, Department of Business Administration.
- *Discourse of Advertising: Linguistic Semiotic Discourse Structures in Bangladeshi Educational Advertisements,* by Muhammed Shahriar Haque, Department of English.
- *Activity Based Costing in Bangladesh: An Empirical Study on the Level of Sophistication,* by Nikhil Chandra Shil, Department of Business Administration.
- *Advertisement Practices in Bangladesh Agency Perspectives, by* S.S.M Sadrul Huda, Department of Business Administration.
- *Viewer's Attitude towards Advertisement*, by S.S.M Sadrul Huda, Department of Business Administration.

Special Study

Moreover, a special research study entitled, *An Assessment of the Undergraduate Teaching Assistants (UTA) and Graduate Teaching Assistants (GTA)* in East West University, was conducted and published by EWUCRT in August 2011.

Seminars, Symposiums and Public Lectures

EWUCRT plays a leading role in organizing seminars, symposiums and public lectures on contemporary issues such as population and environmental concerns, good governance, globalization, social conflicts, social movements, marketing, media and sustainable development.

In order to disseminate knowledge among the academia, the EWUCRT organized three research symposia in 2011.

- *Discourse of Advertising: Linguistic / Semiotic Discourse Structures in Bangladeshi Educational Advertisements,* presented by Muhammed Shahriar Haque, Department of English.
- *Activity Based Costing in Bangladesh: An Empirical Study on the Level of Sophistication,* presented by Nikhil Chandra Shil, Department of Business Administration.
- *An Appraisal of the Problems and Prospects of SME in Bangladesh,* presented by Tanbir Ahmed Chowdhury and Kasfia Ahmed, Department of Business Administration.

Colloquium

East West University and its Center for Research and Training organized a colloquium on "Population and Development: Global Trends and Bangladesh Population Prognosis and Challenges", for the faculty members and students of the university. The colloquium, presented by Dr. Arthur Erken, UNFPA Representative in Bangladesh, was held on 25 June 2011.

Training Programs

The EWUCRT also facilitates professional trainings in the areas of business, population health, marketing, finance, banking, and social development issues for various international and national organizations.

In 2011, the Center facilitated a 5-day long training workshop on Research Design and Methods for academics, young scholars and researchers to develop understanding of conceptual aspects of academic and empirical research and to increase proficiency in research project formulations and report writing. There were 20

participants, consisting of faculty members and researchers from various universities including EWU, NGOs and INGOs, in this training workshop. The program was successfully completed and the trainees were awarded certificates on April 11, 2011 at the auditorium of East West University. The Certificates were awarded by Professor Dr. Syed Modasser Ali, Honorable Adviser for Health & Family Welfare, and Social Welfare Affair to the Prime Minister, Government of the People's Republic of Bangladesh.

Consulting and Policy Research

The Center is open to the idea of carrying out applied and policy research in the areas of finance, corporate business, management, population and health, environment and ecology, and sustainable development in order to address the needs of multilateral, bilateral, and national organizations.

Software Development Center (SDC)

The mission of the Software Development Center (SDC) is to provide EWU students with real-world experience in designing and developing quality software for offices, banks, institutions and industries. The Software Development Center at EWU is a member of BASIS (Bangladesh Association for Software and Information Services) and incorporates industry expertise for true software innovation. It has the potential to use the resources of the World Wide Web. SDC believes in simplicity and efficiency. It intends to integrate object-oriented programming (OOP) concepts with the World Wide Web by providing unique software development services along with training and mentoring programs of global IT standard.

Career Counseling Center(CCC)

The Career Counseling Center provides appropriate guidance to students about their career plans. The center liaises with prospective employers and arranges internships and jobs for students and graduates. CCC works to place students with leading business organizations of the country who can expand their activities by utilizing fresh mind imbued with modern skills and expertise. As a forerunner among private universities in Bangladesh, the Center endeavors not only to ensure excellence in education but also to help students find suitable careers.

CCC is a guide and mentor for students in helping them to develop their aims and building their confidence by arranging and organizing different on-campus job fairs, workshops, seminars, corporate presentations and symposia on a regular basis where students get to learn about formal writing, etiquette and grooming, successful interview techniques, corporate networking and how to succeed in the work place.

CCC is the meeting point for both career-seeking individuals and leading employers of the country and thus keeps the spirit of East West University high.

East West University (EWU) Library

The East West University (EWU) Library holds a unique place among the private university libraries of the country. It provides an array of extraordinary facilities to its users with the help of state-of-the art techniques and technologies.The Library web site (http://lib.ewubd.edu) is designed to provide online reservation, searching library collections, rules and regulations of using library, user guide etc.

EWU Digital Library

EWU digital library was launched on 27 July

EAST WEST UNIVERSITY

2011. Syed Manzur Elahi, founder member, Board of Trustees, East West University, Chairman, Apex Group, and former Adviser to Caretaker Government of Bangladesh was present as the chief guest in this ceremony while Dr. Mohammed Farashuddin, President, Board of Trustees of East West University, presided over the program. EWU Library is the first university library in Bangladesh that uses Greenstone Digital Library Software for building a digital library with a contribution to implement Bengali version of this software. To maintain a world class standard, East West University Library has chosen this software to build a digital library for this university. Greenstone Digital Library Software was successfully installed and implemented to serve the huge demand of digital information of the users as well as the intellectual community of the country.

Collection

The general collection consists of approximately 24300 volumes, primarily scholarly monographs, related reference books, textbooks, pure reference materials, journals, magazines, and statistical publications, as well as newspapers and periodicals. Collection of EWU Library is comprised of books and periodicals related to the field of Business Studies, Economics, Liberal Arts, Social Sciences, Electrical and Electronic Engineering, Physics, Pharmacy, Computer Science, Mathematics, English Language and Literature, and Bangladesh Studies etc.

Library Resources

Types	Quantity (As on November 25, 2011)	
Books	24000 +	copies
Local journals/ Periodicals	131 +	titles
Periodicals/ Magazines	10000 +	titles
E- Books	12	titles
Report/Thesis	632	titles
CD-ROMs	1450	copies
Audio Cassettes	137	copies
Online journals	40	databases
National Newspapers	18	titles
Maps (Large size)	06	copies

Online Journals

Online journal use has spread. Thanks to the World Wide Web. So it is a vital resource for any research or academic institution. Since all online journals are not free of cost, EWU library subscribes to some world renowned online journals. It has also registered for selected free online journals and has joined in consortia for flexible and economic benefits.

Library Facilities

EWU Library provides the following facilities for library users:

- Three spacious floors uses separate circulation, reserve, and reference sections
- The Library is fully air-conditioned and can accommodate more than 250 students at a time.
- It has a rich collection of more than 24,000 + books
- It has extensive collection of CD-ROMs and audiocassettes on different academic subjects
- It has automated borrowing system
- It has online journals facilities
- It has an open-shelf access system, i.e. the students and teachers have direct access to the bookshelves
- Students may borrow CD-ROMs, audiocassettes, texts books
- Current Awareness Services (CAS) and Selective Dissemination of Information (SDI) services are also available
- Newspaper clippings services on important subject are available
- It has a newspaper corner, special corner, a German language corner and UN Corner
- Library users can get back issues of daily newspapers up to the last two months.
- Pigeonholes are available for keeping personal belongings

EAST WEST UNIVERSITY

Workshop

In 2011, EWU Library organized three workshops that are as follows:

- A workshop was held on "Integrated Library System: Koha and application of Greenstone Digital Library Software for building digital library" from May 19 to May 24, 2011 at East West University.

- An international workshop was held on Health Information Literacy from July 27 to July 31, 2011 at East West University sponsored by International Federation of Library Associations and Institutions (IFLA) under the Development through Libraries scheme (ALP).

Other Facilities of the University

Other facilities of the university include:

Spacious air-conditioned classrooms

Free E-mail and Internet access

Medical Center

Prayer Room

Cafeteria

Study Rooms

Separate Male & Female Common Rooms with indoor game facilities and television.

Students' Welfare Department

Students' Welfare Department is a rendezvous spot for students of East West University so that they can participate in various aspects of academic life. The primary objective of the Students' Welfare Department is to emphasize the wholeness of the university experience through synchronized development of body, mind and spirit. It emphasizes enhancing student experience through 'out of classroom learning' and through extra-curricular programs. Under this organization we have 17 clubs which are supervised by moderators who themselves are faculty members of East West University. The clubs give opportunities to students to discover their hidden potential. Here students are able to develop their interpersonal skills by working in groups; they are also able to develop their organizational and leadership skills. Through our clubs we are fulfilling our responsibilities and thereby enhancing the image of the university.

The names of the 17 (Seventeen) clubs are:

1. EWU Agro-Industrialization Club
2. EWU Business Club
3. EWU Computer Programming Club
4. EWU Creative Marketing Club
5. EWU Club for Performing Arts
6. EWU Debating Club
7. EWU Electronics Club
8. EWU English Conversation Club
9. EWU Environmental & Social Club
10. IEEE Student Branch, EWU
11. EWU MBA Club
12. EWU Pharmacy Club
13. EWU Photography Club
14. EWU Rotaract Club
15. EWU Science Club
16. EWU Sports Club
17. EWU Telecommunication club

Scholarships and Financial Aids

Since its inception, East West University has been awarding merit scholarships and need-based financial assistance to deserving students. Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. Such scholarships/financial assistance are not available to those students who have already spent the normal study time required for the programs for which they are enrolled (e.g. Bachelor's degree program students are not eligible for any scholarship/financial aid beyond the four years that are required to complete the course as a regular student). No student of the university is entitled to benefit from more than one scholarship/financial aid scheme at any point of time.

According to the provision of the Private University Act, 2010, private universities are required to provide scholarships to 6 (six) percent of their enrolled poor but meritorious students. Since its inception, the founders of East West University have adopted a policy of not paying any profit or dividend to themselves but to use a good proportion of its operating surplus towards nurturing merit and providing financial support to students in need. In the last twelve years, the scholarships and financial aid policy adopted by East West University have become sources of great encouragement to meritorious but financially constrained students. The academic world has greeted this policy pursued by East West University enthusiastically.

Benefits to students are awarded in the following forms:

1. Merit Scholarships

EWU has generous merit scholarships/financial aid programs. A sum of Taka 2,62,85,581 (two crore sixty-two lakh eighty-five thousand five hundred and eighty one) only was awarded to 794 students in 2010-2011. Full-year tuition waiver merit scholarships (for a maximum of one-fourth of the total credit requirement of the program for undergraduate students) were awarded to:

(i) Top scorers in undergraduate admission tests with a minimum score of 75% marks: three (3) from the Faculty of Business and Economics, and one (1) each from the Faculty of Sciences & Engineering and the Faculty of Liberal Arts and Social Sciences. Top scorers in graduate admission tests with a minimum score of 75% marks: one each in MBA and Telecommunication Engineering, provided that at least 20 students get admitted to the program.

The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.50 and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(ii) Candidates securing GPA 5.00 (excluding 4th subject) in both SSC and HSC (in the most recent relevant examination year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to maintenance of GPA 3.50 in each semester;

(iii) Candidates securing 7 (seven) A's in 'O' Level Examination (at one sitting) and 3 (three) A's in 'A' Level Examination (in one year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to maintenance of GPA 3.50 in each semester;

(iv) Divisional Quota: One poor but meritorious student from each Division securing GPA 5.00 in the most recent HSC Examination will be awarded a full-tuition free Merit Scholarship with lodging for four years of study at EWU. The continuation of

this scholarship is contingent upon maintaining a minimum CGPA of 3.00 and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(v) Candidates scoring GPA 5.00 (including 4th subject) in the immediate past SSC & HSC examinations will be awarded 50% waiver of Tution Fee as Merit Scholarship at entry level in Undergraduate Programs for first 1 (one) year, subject to fulfillment of the following requirements:

a. Success in the EWU Admission Test.

b. Maintenance of minimum GPA of 3.50 in each semester as a regular student. All undergraduate students must register for at least 9 credits in a semester. The requirement is 12 credits in a semester for students of B.Pharm. Program.

c. Abide by East West University's Disciplinary Code for Students at all time;

(vi) A committee will assess and recommend for scholarship/financial aid etc. for foreign students and students from other systems.

(vii) Top 10% students (10% of the actual number of students of each batch of each department enrolled during the immediate past year or two semesters for one year programs, whichever is applicable) of each batch of each department of undergraduate programs who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a CGPA of 3.90 and above will get full-tuition free Merit Scholarship for equal number of credits to be adjusted in the next three consecutive semesters.

On the basis of the above principle, students of graduate programs also get Merit Scholarship but requirements of credit for the scholarships vary depending on the total credits of the program and the length of the program.

In case of a batch where 6 or less students fulfill the scholarship requirement (i.e., completed at least one-fourth of the degree requirement with a CGPA of 3.90 or better), only the top student will be entitled to receive one scholarship. The award will go to the best performer among students securing CGPA 3.90 or better. For calculation of the number of scholarships in each batch, the number will be rounded up if the fraction is 0.5 or above. Merit Scholarships are extendable, subject to fulfillment of requirement (vii) above. To avail Merit Scholarships undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses) The Merit Scholarship will be discontinued if any student of the undergraduate or graduate program violates 'the East West University Disciplinary Code for students' and/or if his/her CGPA falls below 3.50. To be eligible for Merit Scholarship/Financial Aid a student of Undergraduate Program must earn credits as mentioned in the table below, in the last three consecutive semesters:

Undergraduate Programs	Credits
Bachelor of Business Administration	30
BSS in Economics	30
BA in English	30
B.Sc. in Electronic & Telecommunication Engineering	35
B.Sc. in Information and Communications Engineering	35
B.Sc. in Computer Science	33
B.Sc. in Computer Science & Engineering	35
B.Sc. in Electrical & Electronic Engineering	35
Bachelor of Pharmacy	40

To be eligible for Merit Scholarship/Financial Aid a student of Graduate Program must earn credits as mentioned in the table below in the last

three/two consecutive semesters (whichever is applicable for whom)

Graduate Programs	Credits
MBA	29
EMBA	24
MBM	29
MDS	22
MA in English (45 credits Program)	24
MA in English (36 credits Program)	18
MA in English Language Teaching	21-33
MS in CSE	19
MS in TE	18-20
Master of Population, Reproductive Health, Gender and Development (MPRHGD)	21
MS in Applied Physics and Electronics	18

2. Directors' Scholarships

Each of the fifteen Founder Directors of the university, at a point of time, awards two full-tuition scholarships to two students or splits the scholarships into half or quarter tuition waiver/scholarships. This is renewable at the discretion of the Founder Director concerned unless the recipient scholar performs poorly.

3. Financial Aid

(a) General

At the beginning of each semester, the university considers applications on prescribed forms for the granting of financial aid to deserving students on a need-cum-merit basis.

Undergraduate applicants who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a minimum prescribed CGPA of 2.70 and with demonstrated financial need are offered financial assistance to cover part of the tuition fees.

The actual amount depends on the number of applicants and the availability of funds. This is by far the largest component of the funding support both in terms of the amount of money as well as the number of recipients. Financial assistance is also extendable on fulfillment of the above requirements.

(b) Family Concession

When two siblings (brother/sister with the same parents) study simultaneously at East West University, the second sibling is entitled to a half-tuition waiver. However, both must be admitted full-time into regular programs. The benefit commences on the date of admission of the second sibling and ceases on the discontinuation of the study of any one of them, after his/her graduation or for any other reason. This benefit may extend up to the third sibling under the above-mentioned conditions. A merit scholarship awardee cannot qualify to get the benefit for siblings or other similar benefits.

If either of the siblings maintains a minimum CGPA of 2.70, while the other maintains a minimum passing CGPA (2.00 for Undergraduate Programs, 2.50 for Graduate Programs) the sibling benefit will be awarded and continued for the one who maintains the CGPA of 2.70. In case of the newly admitted students, if the first sibling can maintain the minimum CGPA of 2.70 the sibling benefit would be awarded to the second sibling provided the first sibling is not currently receiving any merit scholarship/ financial aid from EWU.

(c) Freedom Fighters' Scholarship

As a mark of respect to the valiant freedom fighters of the War of Liberation and

Independence, the university reserves 3% admission quota for the wards of freedom fighters of all categories, subject to their fulfillments of the minimum admission requirement at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of wounded, deceased and financially needy freedom fighters, subject to the fulfillment of the following requirements:

The candidate must qualify in the EWU admission test; the candidate must provide proof that his/her parent was a freedom fighter. The Tuition Fee waiver as above will then be continued provided that the CGPA in each semester remains 2.70 or more.

To avail financial aid, undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses) Financial Aid is discontinued if any student of undergraduate or graduate program violates the East West University Disciplinary Code for students and/or if his/her CGPA falls below 2.70. The same is applicable for the beneficiaries of siblings and other similar cases and for Freedom Fighters' Scholarship.

4. Benefit for EWU Employees

If the children of the employees study at EWU, only one child of an employee will be granted 50% tuition fee waiver during the entire tenure of the employee's service at EWU subject to fulfillment of admission and all other criteria for study at EWU. Granting of this tuition fee waiver will be effective on admission of the student but its continuation will be subject to fulfillment of Financial Aid requirements.

5. The Medha Lalon Fund

In order to be able to extend further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalon Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year on regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven and a half lakh to the Medha Lalon Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalon Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.

The following scholarships are currently being offered under the Medha Lalon Fund scheme :

The East West University Medha Lalon Fund is administered by the Financial Aid Committee of the university. To procure such aid, students must apply on a prescribed form. Applications are processed based on information provided by the applicants and according to the criteria set by the university and is subject to change at its discretion. Selection of scholars and financial aid beneficiaries is done through a computerized system that ensures full transparency.

The university charges a minimum amount (less than one percent) as administration costs from the earnings of the East West University Medha Lalon Fund. It ensures maintenance of regular accounts of the Medha Lalon Fund and has the accounts audited externally every year.

The Financial Aid Committee keeps Medha Lalon Fund donors informed about the operation of the funds on a regular basis. The Committee arranges meetings with East West University Medha Lalon Fund donors to apprise them of operating procedures, scholarship awards and performance of scholarship awardees as well as to seek guidance from them.

As is evident from the table below, the university policy is rather generous in nurturing merit since an increasing percentage of tuition revenue gets ploughed back and goes to deserving students. It is worth noting that the university, as a matter of policy, encourages enrolment of mofussil and rural students who are also, therefore, beneficiaries of the scholarship and financial aid awards. Furthermore, the university has also been consciously endeavoring to increase the proportion of female students

who benefit from scholarship & financial aid programs.

The table below shows the number of recipients/beneficiaries of various scholarships, financial aid programs and amount of scholarships distributed during the last five years.

Data in table show a declining trend in terms of both the number of recipients and the amount of scholarship disbursed. This is mostly due to declining number of students meeting the criteria for such Scholarships and Financial Aid. However, these figures (i.e. number of scholarship recipients and amount of scholarship) are likely to increase significantly from the academic year 2011-2012 with the introduction of 100% Scholarship for the wards of Freedom Fighters, relaxation of Merit Scholarship criteria and various other pro-scholarship schemes *(see i-v at page 41-42).*
