EWU student attends Asian Youth Forum Summit

THE 7th International Summit of Asian Youth Forum was held in Manila, Philippines, from 1-6 December. By setting the core issue as "Developing Leaders for the 21st century" - academic seminars, and social activities were held to create international exchange and cultural diffusion.

One of the participants of the summit from Bangladesh was Md. Imran Hossain - a student of Electronics and Communication Engineering Department of East West University, Bangladesh. He is an active executive member of the

University's Environmental and Social Club and Telecommunications Club. Md. Imran Hossain is affiliated with the World Scout Movement from the year 1993 via Seabrutee Open Scout Group and he is also a proud recipient of the highest achievement of Boy Scout, "The President Scout Award".
